Product Name: 49 BODY SHINE 5 GAL. Product identifier: 49-5 Revision Date: 07-18-2015 Replaces:

### 1. Identification

| Product Name:<br>Product identifier:<br>Relevant identified uses of the<br>substance or mixture and uses<br>advised against: | <b>49 BODY SHINE 5 GAL.</b><br>49-5<br>Automotive reconditioning product                             |
|--|--|
| Chemical Manufacturer /<br>Importer / Distributor:   | ITW Evercoat<br>a division of Illinois Tool Works Inc.<br>1275 Round Table Drive<br>Dallas, TX 75247 |
| Emergency telephone number:  | CHEMTREC: 1-800-424-9300<br>CANUTEC: 1-613-996-6666  |

# 2. Hazard(s) identification

# Classification of the chemical in accordance with paragraph (d) of §1910.1200;

GHS Hazard Symbols:

| Serious Eye Damage/Eye Irritation Category 2A  |
|--|
| Warning  |
| Causes serious eye irritation.   |
|  |
| Wash thoroughly after handling.  |
| Wear protective gloves/protective clothing/eye protection/face protection.                 |
| IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses,        |
| if present and easy to do. Continue rinsing.   |
| If eye irritation persists: Get medical advice/attention.                                  |
| MEDICAL CONDITIONS AGGRAVATED: dermatitis may be aggravated by excessive exposure to skin. |
|  |

# 3. Composition/information on ingredients

| Chemical Component: | CAS number and other<br>unique identifiers | % (or range) of ingredient |
|---------------------|--|----------------------------|
| 2-Propanol          | 67-63-0                                    | 0.5 - 1.5                  |

# The specific chemical identity and/or exact percentage (concentration) of composition has been withheld as a trade secret.

| 4. First-aid measures  |  |
|--|--|
| Eye Contact:   | None expected to be needed, however, use an eye wash to remove<br>a chemical from your eye regardless of the level of hazard. Flush<br>eye with water for 20 minutes. Get medical attention. Seek<br>immediate medical attention.  |
| Skin Contact:  | Wash with soap and water. Wash affected area thoroughly with soap and water.   |
| Inhalation:  | This material does not present a hazard if inhaled. Remove<br>individual to fresh air after an airborne exposure if any symptoms<br>develop, as a precautionary measure. If inhaled, remove victim<br>from exposure to a well-ventilated area.   |
| Ingestion:   | No hazard in normal industrial use. Do not induce vomiting. Seek<br>medical attention if symptoms develop. Provide medical care<br>provider with this MSDS. Do not induce vomiting unless directed to<br>do so by medical personnel. Call a physician or poison control<br>center immediately. |
| Immediate medical attention<br>and special treatment needed, | No additional first aid information available  |

| 5. Fire-fighting measures |      |  |  |  |  |
|---------------------------|------|--|--|--|--|
|                           | <br> |  |  |  |  |

| Suitable extinguishing media:                             | Not combustible. Use extinguishing media appropriate for           |
|---|--|
|   | surrounding fire. Use alcohol foam, carbon dioxide, or water spray |
|   | when fighting fires involving this material.                       |
| Unsuitable extinguishing media:                           | No data available  |
| Fire and/or Explosion Hazards:                            | Material will not ignite or burn. Material will not burn.          |
| Hazardous Combustion                                      | Carbon dioxide, Carbon monoxide                                    |
| Products:   |  |
| Special protective equipment                              | Will not burn, no special instructions available. Use methods      |
| and precautions for fire-                                 | appropriate for surrounding materials.                             |
| fighters:   |  |
| Special protective equipment<br>and precautions for fire- | •  |

Product Name: 49 BODY SHINE 5 GAL. Product identifier: 49-5 Revision Date: 07-18-2015 Replaces:

| 6. Accidental release measures   |  |
|--|--|
| Personal precautions,<br>protective equipment and<br>emergency procedures:<br>Methods and material for<br>containment and cleaning up: | No adverse health affects expected from the clean-up of spilled<br>material. Follow personal protective equipment recommendations<br>found in Section VIII of this MSDS.<br>No special spill clean-up considerations. Collect and discard in<br>regular trash. SMALL SPILL: Contain and collect with absorbent.<br>LARGE SPILLS: Shut off leak if safe to do so. Use an inert absorbent<br>such as sand or vermiculite. Place in properly labeled closed<br>container. Prevent spilled material from contaminating soil,<br>entering sanitary sewers, storm sewers, and drainage systems, and<br>entering bodies of water or ditches that lead to waterways. |
| 7. Handling and storage  |  |

# Precautions for safe handling:No special handling instructions due to toxicity. Keep out of the<br/>reach of children.Conditions for safe storage:No special requirements STORAGE TEMPERATURE: 0°C (32°F)<br/>Minimum to 50°C (122°F) Maximum. Shelf life is one year.Materials to Avoid/Chemical<br/>Incompatibility::Strong oxidizing agents

# 8. Exposure controls/personal protection

### <u>Limits:</u>

| Chemical Component                 | OSHA PEL   | ACGIH TLV-TWA  | ACGIH STEL |
|------------------------------------|--|--|------------|
| No data available                  |  |  |            |
| Appropriate engineering controls.: | engineering controls are like comfort under normal condi   | the constituents of this produc<br>ly to be required to maintain c<br>tions of use. General or local<br>prove adequate to keep airbor<br>mits. | operator   |
| Eye Protection:                    | No special requirements unc<br>Glasses or goggles with splas   | ler normal industrial use. Safe<br>h guards or side shields.   | ty         |
| Skin Protection:                   | Not normally considered a skin hazard. Where use can result in skin<br>contact, practice good personal hygiene. Wash hands and other<br>exposed areas with mild soap and water before eating, drinking,<br>and when leaving work. Use Nitrile/Vinyl gloves |  |            |
| Respiratory Protection:            | No respiratory protection required under normal conditions of use.<br>NIOSH respirator -(organic vapor) in absence of proper<br>environmental control.   |  |            |
| Other Protective Equipment:        | Safety Glasses or goggles wit<br>Page <b>3</b> of <b>6</b>   | h splash guards or side shields  | s. Use     |

Product Name: 49 BODY SHINE 5 GAL. Product identifier: 49-5 Revision Date: 07-18-2015 Replaces:

General Hygiene Conditions:

Nitrile/ Vinyl gloves Keep out of the reach of children.

# 9. Physical and chemical properties

| Appearance (physical state):<br>Color:<br>Odor: | Liquid<br>Purple<br>Floral             |
|---|--|
| Odor threshold:                                 | No data available                      |
| pH:   | ~ 6 - 9                                |
| Melting Point/Freezing Point (°C):              | No data available                      |
| Initial Boiling Point and Boiling Range (°C):   | 100<br>No data available               |
| Flash Point (°C):                               | No data available<br>No data available |
| Evaporation Rate:<br>Flammability (solid, gas): | No data available                      |
| Upper Flammable/Explosive Limit:                | No data available                      |
| Lower Flammable/Explosive Limit:                | No data available                      |
| Vapor Pressure:                                 | 17.5 MMHG@20C/68F                      |
| Vapor Density:                                  | No data available                      |
| Relative Density:                               | 1                                      |
| Solubility(ies):                                | No data available                      |
| Partition coefficient: n-octanol/water:         | No data available                      |
| Auto-ignition Temperature (°C):                 | No data available                      |
| Decomposition Temperature::                     | No data available                      |
| Viscosity:                                      | No data available                      |

# 10. Stability and reactivity

| Reactivity:             | No data available               |
|-------------------------|---------------------------------|
| Chemical stability:     | Stable under normal conditions. |
| Conditions to avoid:    | None known.                     |
| Incompatible materials: | Strong oxidizing agents         |

# 11. Toxicological information

Likely routes of exposure (inhalation, ingestion, skin and eye contact): Skin contact, Eye contact, Ingestion

### Immediate (Acute) Health Effects by Route of Exposure:

| Inhalation Irritation: | No hazard in normal industrial use.   |
|------------------------|---|
| Skin Contact:          | No hazard in normal industrial use.   |
| Skin Absorption:       | Component(s) may be absorbed through intact skin, but it is unlikely that harmful |
|                        | affects will occur unless contact is prolonged, repeated, and extensive.          |

Product Name: 49 BODY SHINE 5 GAL. Product identifier: 49-5 Revision Date: 07-18-2015 Replaces:

| Eye Contact:<br>Ingestion Irritation: | No hazard in normal industrial use. Can cause moderate irritation.<br>No hazard in normal industrial use. Small amounts (a tablespoonful) swallowed<br>during normal handling operations are not likely to cause injury; swallowing<br>amounts larger than that may cause injury. |
|---------------------------------------|---|
| Long-Term (Chronic) Health Effe       | ects:   |
| Carcinogenicity:                      | None of the substances have been shown to cause cancer in long term animal studies. Not a carcinogen according to NTP, IARC, or OSHA.   |
| Reproductive and                      | No data available to indicate product or any components present at greater than   |
| Developmental Toxicity:               | 0.1% may cause birth defects.   |
| Mutagenicity:                         | No data available to indicate product or any components present at greater than 0.1% is mutagenic or genotoxic.   |
| Inhalation:<br>Skin Contact:          | Upon prolonged and/or repeated exposure, no hazard in normal industrial use.<br>Unlikely to cause irritation even on repeated contact.  |

**Component Toxicology Data** 

| Chemical Component | Oral LD50 | Dermal LD50 | Inhalation LC50 |
|--------------------|-----------|-------------|-----------------|
| No data available  |           |             |                 |

### Has the chemical been classified as a Carcinogen by NTP, IARC or OSHA.

| Chemical Name     | OSHA Carcinogen | IARC Carcinogen | NTP Carcinogen |
|-------------------|-----------------|-----------------|----------------|
| No data available |                 |                 |                |

| 12. Ecol | ogical information |  |  |  |  |
|----------|--------------------|--|--|--|--|
|----------|--------------------|--|--|--|--|

| Ecotoxicity (aquatic and terrestrial, where available): | This material is not expected to be harmful to the ecology. |
|---|---|
| Persistence and degradability:                          | No data available   |
| Mobility in soil:                                       | No data available   |
| Other adverse effects (such as                          | No data available   |
| hazardous to the ozone layer):                          |   |

### **Ecological Toxicity Data**

| Chemical Component | Aquatic EC50 Crustacea | Aquatic ERC50 Algae | Aquatic LC50 Fish |
|--------------------|------------------------|---------------------|-------------------|
| No data available  |                        |                     |                   |
|                    |                        |                     |                   |

# 13. Disposal considerations

| Description of waste residues: | Spent or discarded material is non-hazardous according to |
|--------------------------------|---|
| -                              | environmental regulations.                                |
| Safe Handling of Waste:        | Disposal must be in accordance with applicable Federal,   |
| -                              | State/Provincial and Local regulations.                   |
|                                |   |

|   | Ja  | τειγ σαι          | a Jieci                                   |          |                       |
|---|---|-------------------|---|----------|-----------------------|
