INSTALLATION INSTRUCTIONS #INST075:
REALTRUCK BACKRACK KIT #30122, 30122TB, 30122TB31
2019 Current Chev/GMC Silverado, Sierra

READ THIS NOW!

Your truck should look like the one shown. If you think you are missing any parts, think that this part number is not for your truck or have any installation questions, call our customer service department at toll free:

888-588-6101or locally 800-265-8137.
Other ways to reach RealTruck Backrack:
email: info@backrack.ca
Support@backrack.com

The RealTruck Backrack is secured to your truck with a pair of "Stake Pocket Bolts" specifically designed for your make and model of truck. These bolts mount into each of the two front stake pockets. The RealTruck Backrack assembly sits on the bed rails of your truck and is secured to these Stake Pocket Bolts. If your truck has a BEDLINER we suggest you remove it to install the Stake Pocket Bolts
