

WeatherTech®

UNDER SEAT STORAGE SYSTEM

Installation Instructions

Package Contents

1 - Under Seat Storage

1 - Safety Strap

1
Install the safety strap through the slot on the rear.

2
Position the Under Seat Storage under the backseat as shown.

3
Feed the safety strap through the seat mount.

4
Clasp the safety strap and cinch it tight. If you need to remove, simply unclasp the strap.
